

Policy on the Processing and Protection of Personal Data and the Use of Cookies:

www.logistika-expo.ru

(hereinafter referred to as the "Policy")

1. General Provisions

1.1. This Personal Data Processing Policy has been drafted in accordance with the Constitution of the Russian Federation, the Civil Code of the Russian Federation, the Federal Law "On Information, Information Technologies and Information Protection", Federal Law No. 152-FZ dated July 27, 2006 "On Personal Data" (hereinafter referred to as the "Personal Data Law"), and defines the procedure for processing personal data and measures to ensure the security of personal data undertaken by LIMITED LIABILITY COMPANY "SIGMA EXPO GROUP" (TIN: 7743378236, PSRN 1227700183215, address: 125504, MOSCOW, INT.TER. MUNICIPAL DISTRICT WESTERN DEGUNINO, DMITROVSKOYE HIGHWAY, BUILDING 71B, FLOOR, PREMISES 6, 4/6, registration number in the Register of Personal Data Operators No. 77-22-085505, hereinafter referred to as the "Operator"), for individuals (hereinafter referred to as the "User", equivalent to the term "Personal Data Subject") when the User uses the Website: www.logistika-expo.ru (hereinafter referred to as the "Website").

1.2. The Operator sets as its most important goal and condition for carrying out its activities the observance of human and civil rights and freedoms when processing personal data, including the protection of the right to privacy, personal and family secrets.

1.3. This Operator's Policy regarding the processing of personal data (hereinafter referred to as the "Policy") applies to all information that the Operator may receive about Users of the Website. The Policy applies to all personal data of Website Users that the Operator processes.

1.4. Before starting to use the Website, the User (Personal Data Subject) must carefully read this Policy.

The User's use of any functions, services, and capabilities of the Website, including any viewing of the Website page by the User, means the User's unconditional consent to this Policy and the conditions specified therein for processing their personal information (personal data).

The specified actions of the User are considered as the User's statement that they have read, understood, and agree to comply with the conditions of the Policy, including all special conditions and rules mentioned therein, without any exceptions or reservations. If the User does not agree with these conditions, the User must refrain from using the Website's services.

Familiarization with the Policy does not constitute consent to the processing of personal data. Consent to the processing of personal

data is obtained by the Operator separately in the manner established by Article 9 of Federal Law No. 152-FZ dated July 27, 2006.

1.5. This Policy applies only to the Website.

The Website does not control and is not responsible for third-party websites to which the User may navigate through links available on the Website.

1.6. The Policy applies to relations in the field of personal data processing that arose with the Operator both before and after the approval of this Policy.

2. Basic Terms Used in the Policy

2.1. **Operator** - LIMITED LIABILITY COMPANY "SIGMA EXPO GROUP" (TIN: 7743378236, PSRN 1227700183215, address: 125504, MOSCOW, INT.TER. 2.2. **User** (equivalent to the terms "Website User", "Website Visitor") - any visitor to the Website.

2.3. **Personal Data** - any information relating directly or indirectly to the User of the Website.

2.4. **Personal Data Authorized by the Personal Data Subject for Distribution** - personal data to which access by an unlimited number of persons is provided by the Personal Data Subject by giving consent to the processing of personal data authorized by the Personal Data Subject for distribution in the manner prescribed by the Personal Data Law (hereinafter - personal data authorized for distribution).

2.5. **Automated Processing of Personal Data** - processing of personal data using computer technology.

2.6. **Personal Data Information System** - a set of personal data contained in databases, and information technologies and technical means that ensure their processing.

2.7. **Processing of Personal Data** - any action (operation) or set of actions (operations) performed using automation tools or without using such tools with personal data, including collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, transfer (provision, access), depersonalization, blocking, deletion, destruction of personal data.

2.8. **Provision of Personal Data** - actions aimed at disclosing personal data to a specific person or a specific group of persons.

2.9. **Depersonalization of Personal Data** - actions as a result of which it is impossible to determine, without using additional information, the ownership of personal data to a specific User or other Personal Data Subject.

2.10. **Blocking of Personal Data** - temporary cessation of processing of personal data (except in cases where processing is necessary to clarify personal data).

2.11. **Distribution of Personal Data** - any actions aimed at disclosing personal data to an indefinite group of persons (transfer of personal data) or at familiarizing an unlimited number of persons with personal data, including making personal data public in the mass media, posting in information and telecommunications networks, or providing access to personal data in any other way.

2.12. **Cross-Border Transfer of Personal Data** - transfer of personal data to the territory of a foreign state, to a foreign state authority, a foreign individual, or a foreign legal entity.

2.13. **Destruction of Personal Data** - any actions as a result of which personal data is irreversibly destroyed with the impossibility of further restoration of the content of personal data in the personal data information system and/or material carriers of personal data are destroyed.

2.14. **Cookies** - a small fragment of data sent by a web server and stored on the User's computer, which a web client or web browser sends to the web server in an HTTP request each time when attempting to open a page of the corresponding Website. The Personal Data Subject has the ability to prohibit the creation of cookie files or delete existing ones by using the appropriate web browser settings, however, in such a case, the maximum full use of all the functionality of the Internet service will be impossible.

2.15. **Confidentiality of Personal Data** - a requirement mandatory for compliance by the Operator or other person who has gained access to personal data not to allow their distribution without the consent of the Personal Data Subject or the presence of another legal basis.

3. Basic Rights and Obligations of the Operator

3.1. The Operator has the right to:

1. receive reliable information and/or documents containing personal data from the Personal Data Subject;
2. entrust the processing of personal data to another person with the consent of the Personal Data Subject, unless otherwise provided by federal law, on the basis of an agreement concluded with this person. The person carrying out the processing of personal data on behalf of the Operator must comply with the

principles and rules for processing personal data provided by the Personal Data Law;

3. in case of withdrawal by the Personal Data Subject of consent to the processing of personal data, the Operator has the right to continue processing personal data without the consent of the Personal Data Subject if there are grounds specified in the Personal Data Law;
4. independently determine the composition and list of measures necessary and sufficient to ensure the fulfillment of obligations provided by the Personal Data Law and regulatory legal acts adopted in accordance with it, unless otherwise provided by the Personal Data Law or other federal laws.

3.2. The Operator is obliged to:

1. provide the Personal Data Subject, upon their request, with information regarding the processing of their personal data;
2. organize the processing of personal data in the manner established by the current legislation of the Russian Federation;
3. respond to requests and inquiries of Personal Data Subjects and their legal representatives in accordance with the requirements of the Personal Data Law;
4. report to the authorized body for the protection of the rights of Personal Data Subjects, upon request of this body, the necessary information;
5. publish or otherwise provide Personal Data Subjects with access to this Policy regarding the processing of personal data;
6. take legal, organizational, and technical measures to protect personal data from unlawful or accidental access to it, destruction, modification, blocking, copying, provision, distribution of personal data, as well as from other unlawful actions in relation to personal data;
7. cease the transfer (provision, access) of personal data, cease processing, and destroy personal data in the manner and cases provided by the Personal Data Law;
8. report to the authorized body for the protection of the rights of Personal Data Subjects (the Federal Service for Supervision of Communications, Information Technology and Mass Media (Roskomnadzor)) upon request the necessary information within 30 (thirty) days from the date of receipt of such request. This period may be extended to 45 days upon sending Roskomnadzor a motivated notification of the reasons for extending the period (Part 4 of Article 20 of Federal Law No. 152-FZ dated July 27, 2006). In case of a request in connection with a personal data breach, the Operator must respond: - within 1 (one) day if a

primary notification of the breach has not yet been submitted;
- within 3 (three) days for clarifying information on a
previously submitted notification.

When the Operator, Roskomnadzor, or another interested party identifies a fact of unlawful or accidental transfer (provision, distribution) of personal data (access to personal data) that resulted in a violation of the rights of personal data subjects (hereinafter - an incident), the Operator:

a) within 24 (twenty-four) hours from the moment of detection of the incident, notifies Roskomnadzor of the incident that occurred, reporting the following information:

- the alleged reasons that led to the violation of the rights of personal data subjects;
- the alleged harm caused to the rights of personal data subjects;
- the measures taken to eliminate the consequences of the incident;
- information about the person authorized by the Operator to interact with Roskomnadzor on issues related to the incident;

b) within 72 (seventy-two) hours from the moment of detection of the incident, notifies Roskomnadzor of the results of the internal investigation of the identified incident and provides information about persons whose actions caused it (if available);

9. in the manner determined by the federal executive body authorized in the field of security (FSB of Russia), ensure interaction with the state system for detecting, preventing, and eliminating the consequences of computer attacks on information resources of the Russian Federation, including informing the specified system of computer incidents that resulted in unlawful transfer (provision, distribution, access) of personal data (in accordance with Part 1.1 of Article 18.1 of Federal Law No. 152-FZ dated July 27, 2006);

10. fulfill other obligations provided by the Personal Data Law.

4. Basic Rights and Obligations of Personal Data Subjects

4.1. Personal Data Subjects have the right to:

4.1.1. receive information concerning the processing of their personal data, except in cases provided by federal laws. Information is provided to the Personal Data Subject by the Operator in an accessible form, and it should not contain personal data relating to other Personal Data Subjects, except in cases where there are legal grounds for disclosing such personal data. The list of information and the procedure for obtaining it are established by the Personal Data Law;

4.1.2. require the Operator to clarify their personal data, block it, or destroy it if the personal data is incomplete, outdated, inaccurate, illegally obtained, or is not necessary for the stated purpose of processing, as well as take measures provided by law to protect their rights;

4.1.3. set forth the condition of prior consent when processing personal data for the purpose of promoting goods, works, and services on the market;

4.1.4. withdraw consent to the processing of personal data;

4.1.5. appeal to the authorized body for the protection of the rights of Personal Data Subjects or in court against unlawful actions or inaction of the Operator when processing their personal data;

4.1.6. exercise other rights provided by the legislation of the Russian Federation.

4.1.7. The User may at any time withdraw their consent to the processing of personal data by sending the Operator a notification via email to info@logistika-expo.ru with the note "Withdrawal of consent to the processing of personal data".

Upon receipt of such notification, the Operator ceases the processing of personal data in accordance with the requirements of Part 5 of Article 21 of the Personal Data Law (within 30 (thirty) calendar days).

4.2. Personal Data Subjects are obliged to:

4.2.1. provide the Operator with reliable data about themselves;

4.2.2. inform the Operator of the clarification (updating, modification) of their personal data.

4.3. Persons who have provided the Operator with false information about themselves or information about another Personal Data Subject without the latter's consent are liable in accordance with the legislation of the Russian Federation.

4.4. Control over the fulfillment of the requirements of this Policy is carried out by an authorized person responsible for organizing the processing of personal data at the Operator.

4.5. Liability for violation of the requirements of the legislation of the Russian Federation and regulatory acts of the Operator in the field of processing and protection of personal data is determined in accordance with the legislation of the Russian Federation.

5. List of Personal Data

5.1. The Operator may process the following personal data of the Website User:

- last name, first name, patronymic;
- telephone number;
- email address;
- cookies;
- IP address of the computer/mobile device (when visiting the Website).

The above data hereinafter in the text of the Policy are united by the general concept of "Personal Data". The delivery address is processed exclusively for the purposes of delivering the ordered Goods and is not used for marketing purposes without the separate consent of the User.

5.2. Processing of special categories of personal data concerning racial, national origin, political views, religious or philosophical beliefs, intimate life, is not carried out by the Operator.

Processing by the Operator of biometric personal data (information that characterizes the physiological and biological characteristics of a person, based on which their identity can be established) is not carried out by the Operator.

5.3. Processing of personal data authorized for distribution from among the special categories of personal data specified in Part 1 of Article 10 of the Personal Data Law is permitted if the prohibitions and conditions provided for in Article 10.1 of the Personal Data Law are observed.

5.4. The User's consent to the processing of personal data authorized for distribution is formalized separately from other consents for the processing of their personal data. At the same time, the conditions provided for, in particular, in Article 10.1 of the Personal Data Law are observed. The requirements for the content of consent to the processing of personal data authorized by the Personal Data Subject for distribution are approved by Order of Roskomnadzor No. 18 dated February 24, 2021.

5.4.1. Consent to the processing of personal data authorized for distribution is provided by the User to the Operator directly through the Website.

5.4.2. Transfer (distribution, provision, access) of personal data authorized by the Personal Data Subject for distribution must be terminated at any time at the request of the Personal Data Subject. This requirement must include the last name, first name, patronymic (if any), contact information (phone number, email address, or postal address) of the Personal Data Subject, as well as a list of personal data whose processing is subject to termination. The personal data specified in this requirement may be processed only by the Operator to whom it is addressed.

5.4.3. Consent to the processing of personal data authorized for distribution ceases to be valid from the moment the Operator receives the requirement specified in clause 5.4.2 of this Policy regarding the processing of personal data.

5.5. Logging and Documentation of User Consents

5.5.1. Logging Process

Each time a User registers for an event, subscribes to a mailing list, or fills out forms on the Website, when the User checks consent boxes, the Operator automatically registers (logs) the following information:

- a) IP address of the User's computer or mobile device;
- b) Exact date of consent provision;
- c) Exact time (hours, minutes, seconds) of consent placement;
- d) Version of this Policy (number or version date) to which the User consented;
- e) Browser session identifier (session ID) for authenticity verification;
- f) Which specific checkboxes were checked (for personal data processing, for receiving marketing messages, for receiving advertising via telecommunications networks, etc.);
- g) Event participant registration identifier or application number in the Operator's system.

This data is automatically recorded in a protected database without User participation.

5.5.2. Purpose of Logging

Logging of consents is carried out for the purposes of:

- a) Documenting the fact of obtaining consent from the User;
- b) Compliance with the requirements of Federal Law No. 152-FZ "On Personal Data" and Federal Law No. 38-FZ "On Advertising";
- c) Proving voluntary and informed consent in case of disputes;
- d) Protecting the rights of both the Operator and the User.

5.5.3. Storage Period for Consent Evidence

The Operator stores complete records of all User consents for at least 3 (three) years from the end of the consent validity period or the terms of personal data processing, in accordance with the requirements of the current legislation of the Russian Federation

(Order of Roskomnadzor No. 236-p dated September 10, 2019). After this period, records are deleted or archived.

5.5.4. User's Right to Obtain Information About Logging

The User may request a copy of the logging of their consents by sending a letter to the Operator's email address or calling the phone number specified in Section 13 of this Policy. The request must contain the event participant registration identifier or the application number in the system.

The Operator provides information about logging within 10 (ten) business days in accordance with the requirements of clause 10.13 of this Policy.

6. Principles of Personal Data Processing

6.1. Processing of personal data is carried out on a legal basis.

6.2. Processing of personal data is limited to achieving specific, predetermined, and legitimate purposes. Processing of personal data that is incompatible with the purposes of collecting personal data is not allowed.

6.3. It is not allowed to combine databases containing personal data, the processing of which is carried out for purposes incompatible with each other.

6.4. Only personal data that meets the purposes of their processing are subject to processing.

6.5. The content and volume of processed personal data correspond to the stated purposes of processing. Redundancy of processed personal data in relation to the stated purposes of their processing is not allowed.

6.6. When processing personal data, the accuracy of personal data, their sufficiency, and, in necessary cases, their relevance in relation to the purposes of personal data processing are ensured. The Operator takes the necessary measures and/or ensures their adoption to remove or clarify incomplete or inaccurate data.

6.7. Storage of personal data is carried out in a form that allows identifying the Personal Data Subject, not longer than required by the purposes of personal data processing, unless the storage period for personal data is established by federal law, an agreement to which the Personal Data Subject is a party, beneficiary, or guarantor.

6.8. Processed personal data is destroyed or depersonalized in case of:

- provision by the User of information confirming that personal data is illegally obtained or is not necessary for the stated purpose of processing - within 7 (seven) working days from the

date of submission of such information (Part 1 of Article 14, Part 3 of Article 20 of the Personal Data Law);

- identification of unlawful processing of personal data - within 3 (three) working days (Part 3 of Article 21 of the Personal Data Law);
- withdrawal of personal data by the User - within 30 (thirty) calendar days (Part 5 of Article 21 of the Personal Data Law);
- achievement of the purpose of personal data processing - within 30 (thirty) days (Part 4 of Article 21 of the Personal Data Law);
- expiration of the storage periods for personal data - within 30 (thirty) days (Part 4 of Article 21 of the Personal Data Law).

6.9. Personal data that was processed in an automated manner is destroyed by the Operator by erasing from the database, formatting the media, or by mechanical damage to hard disks.

Personal data that was processed in a non-automated manner is destroyed by the Operator by shredding (crushing).

Destruction of personal data is carried out based on a decision of a special commission created by the Operator, formalized by an Act on the Destruction of Personal Data.

Such messages are sent through the following channels (at the Operator's choice):

- SMS messages to the phone number;
- Email messages to the email address;
- Messages on social networks (if the User is subscribed to the Operator's official accounts).

The User may at any time refuse such messages in accordance with the terms of this Policy (Section 10.16). Refusal of advertising messages does not affect the ability to receive the Operator's services.

The Operator does not send marketing messages to Users who have not given consent or have unsubscribed from them.

7.3. Anonymized User data collected using Internet statistics services is used to collect information about User actions on the Website, improve the quality of the Website and its content.

7.4. The content and volume of processed personal data must correspond to the stated purposes of processing provided for in clause 7.1 of this Policy. Processed personal data should not be redundant in relation to the stated purposes of their processing.

7.5. It is prohibited to refuse data processing (service) if the Personal Data Subject refuses to provide biometric personal data and/or give consent to the processing of personal data, if, in accordance with federal law, obtaining the Operator's consent to the processing of personal data is not mandatory.

8. Legal Grounds for Personal Data Processing

8.1. The legal basis for processing personal data is a set of regulatory legal acts in pursuance of which and in accordance with which the Operator processes personal data, including:

- Constitution of the Russian Federation;
- Civil Code of the Russian Federation;
- Labor Code of the Russian Federation;
- Tax Code of the Russian Federation;
- Federal Law No. 152-FZ dated July 27, 2006 "On Personal Data";
- Federal Law No. 149-FZ dated July 27, 2006 "On Information, Information Technologies and Information Protection";
- Federal Law No. 38-FZ dated March 13, 2006 "On Advertising" (in particular, Article 18 on informational messages with consent);
- "Requirements for the Protection of Personal Data When Processed in Personal Data Information Systems", approved by Resolution of the Government of the Russian Federation No. 1119 dated November 1, 2012;
- local acts of the Operator;
- other regulatory legal acts regulating the Operator's activities;
- contracts concluded between the Operator and Personal Data Subjects;
- consent of the Personal Data Subject to the processing of their personal data.

9. Conditions for Personal Data Processing

9.1. Processing of personal data is carried out with the consent of the Personal Data Subject to the processing of their personal data.

9.2. Processing of personal data is necessary to achieve the goals provided for by an international treaty of the Russian Federation or by law, to carry out functions, powers, and duties assigned to the Operator by the legislation of the Russian Federation.

9.3. Processing of personal data is necessary for the execution of a contract to which the Personal Data Subject is a party or beneficiary, as well as for concluding a contract at the initiative of the Personal Data Subject or a contract under which the Personal Data Subject will be a beneficiary.

9.4. Processing of personal data is necessary for the exercise of the rights and legitimate interests of the Operator or third parties or to achieve socially significant goals, provided that this does not violate the rights and freedoms of the Personal Data Subject.

9.5. The Operator processes personal data to which access by an unlimited number of persons is provided by the Personal Data Subject or at their request (hereinafter - "Publicly Available Personal Data").

9.6. Processing of personal data subject to publication or mandatory disclosure in accordance with federal law is carried out.

10. Procedure for Collection, Storage, Transfer, and Other Types of Personal Data Processing

10.1. The Operator takes the necessary legal, organizational, and technical measures to protect personal data from unlawful or accidental access to it, destruction, modification, blocking, distribution, and other unauthorized actions, including:

- determines threats to the security of personal data during their processing;
- adopts local regulations and other documents regulating relations in the field of processing and protection of personal data.

The local acts of the Operator may not include provisions that restrict the rights of the Personal Data Subject;

- appoints persons responsible for ensuring the security of personal data in the structural subdivisions and information systems of the Operator;
- creates the necessary conditions for working with personal data;
- organizes accounting of documents containing personal data;
- organizes work with information systems in which personal data is processed;
- stores personal data under conditions that ensure their safety and exclude unauthorized access to them;
- organizes internal control and/or audit activities to verify compliance of personal data processing with the Personal Data Law and regulatory legal acts adopted in accordance with it, requirements for the protection of personal data, the Operator's policy regarding personal data processing, and the Operator's local regulations;
- determines the assessment of harm that may be caused to Personal Data Subjects in case of violation of the rules for working with personal data, the ratio of the specified harm and the measures taken by the Operator aimed at ensuring the fulfillment of obligations provided by the Personal Data Law;

- organizes familiarization of employees directly engaged in the processing of personal data with the provisions of the legislation of the Russian Federation on personal data, including requirements for the protection of personal data, documents defining the Operator's policy regarding the processing of personal data, local acts on personal data processing issues, and/or training of such employees;
- notifies Roskomnadzor of unlawful personal data breaches that resulted in a violation of the rights of Personal Data Subjects, of the alleged reasons, harm, results of its investigation, measures to eliminate the consequences;
- ensures interaction with the state system for detecting, preventing, and eliminating the consequences of computer attacks on information resources of the Russian Federation, including informing Roskomnadzor of computer incidents that resulted in unlawful transfer (provision, distribution, access) of personal data.

10.2. The security of personal data processed by the Operator is ensured through the implementation of legal, organizational, and technical measures necessary to fully comply with the requirements of the current legislation in the field of personal data protection.

10.3. The Operator ensures the safety of personal data and takes all possible measures to exclude access to personal data by unauthorized persons.

10.4. The User's personal data will never, under any circumstances, be transferred to third parties, except in cases related to the execution of current legislation or if the Personal Data Subject has given consent to the Operator to transfer data to a third party for the fulfillment of obligations under a civil law contract.

10.5. In case of detection of inaccuracies in personal data, the User can update them independently by sending the Operator a notification to the Operator's email address: info@logistika-expo.ru, with the subject "Personal Data Update".

In case of detection of inaccurate personal data upon the request of the Personal Data Subject or their representative, or upon their request or upon request from Roskomnadzor, the Operator blocks the personal data relating to this Subject from the moment of such request or receipt of the specified request for the period of verification, if blocking of personal data does not violate the rights and legitimate interests of the Personal Data Subject or third parties.

If the fact of inaccuracy of personal data is confirmed, the Operator, based on information provided by the Personal Data Subject or their representative or Roskomnadzor, or other necessary documents, clarifies the personal data within seven working days

from the date of submission of such information and removes the blocking of personal data.

10.6. The period of personal data processing is determined by the achievement of the purposes for which the personal data was collected, unless another period is provided by the contract or current legislation. The User may at any time withdraw their consent to the processing of personal data by sending the Operator a notification via email to the Operator's email address: info@logistika-expo.ru, with the subject "Withdrawal of consent to the processing of personal data".

10.7. All information collected by third-party services, including payment systems, communications, and other service providers, is stored and processed by the specified persons (Operators) in accordance with the Privacy Policy. The Personal Data Subject and/or User must independently familiarize themselves with the specified documents in a timely manner. The Operator is not responsible for the actions of third parties, including the service providers specified in this clause.

10.8. Prohibitions established by the Personal Data Subject on transfer (except for providing access), as well as on processing or conditions of processing (except for obtaining access) of personal data authorized for distribution, do not apply in cases of personal data processing in state, public, and other public interests determined by the legislation of the Russian Federation.

Transfer of personal data to inquiry and investigation bodies, the Federal Tax Service, the Pension Fund of the Russian Federation, the Social Insurance Fund of the Russian Federation, and other authorized executive bodies and organizations is carried out in accordance with the requirements of the legislation of the Russian Federation.

10.9. The Operator ensures the confidentiality of personal data during the processing of personal data.

10.10. The Operator stores personal data in a form that allows identifying the Personal Data Subject, not longer than required by the purposes of personal data processing, unless the storage period for personal data is established by federal law, an agreement to which the Personal Data Subject is a party, beneficiary, or guarantor. When collecting personal data, including via the Internet, the Operator ensures recording, systematization, accumulation, storage, clarification (updating, modification), extraction of personal data of citizens of the Russian Federation using databases located on the territory of the Russian Federation, except in cases specified in the Personal Data Law.

10.11. The condition for termination of personal data processing may be the achievement of the purposes of personal data processing, expiration of the consent of the Personal Data Subject, or withdrawal of consent by the Personal Data Subject, as well as the identification of unlawful processing of personal data.

10.12. Cross-Border Transfer of Personal Data.

The Operator does not carry out cross-border transfer of personal data.

10.13. Confirmation of the fact of personal data processing by the Operator, legal grounds and purposes of personal data processing, as well as other information specified in Part 7 of Article 14 of the Personal Data Law, are provided by the Operator to the Personal Data Subject or their representative upon request or upon receipt of a request from the Personal Data Subject or their representative. The Operator's response to a request (inquiry) from the Subject for information regarding the processing of their personal data must be given within ten working days from the moment of the request or receipt by the Operator of the request from the Personal Data Subject or their representative. This period may be extended, but not more than five working days in case of sending by the Operator to the Personal Data Subject a motivated notification indicating the reasons for extending the period for providing the requested information. The response to the request is given in the form in which the request (inquiry) was sent, or in the form specified in the request (inquiry) itself.

The information provided does not include personal data relating to other Personal Data Subjects, except in cases where there are legal grounds for disclosing such personal data.

The request must contain:

- the number of the main document certifying the identity of the Personal Data Subject or their representative, information about the date of issue of the specified document and the issuing authority;
- information confirming the participation of the Personal Data Subject in relations with the Operator (contract number, date of contract conclusion, conditional verbal designation and/or other information), or information otherwise confirming the fact of personal data processing by the Operator;
- signature of the Personal Data Subject or their representative.

The request may be sent in the form of an electronic document and signed with an electronic signature in accordance with the legislation of the Russian Federation.

If the request (inquiry) of the Personal Data Subject does not reflect all the necessary information in accordance with the requirements of the Personal Data Law or the Subject does not have access rights to the requested information, a motivated refusal is sent to them.

The right of the Personal Data Subject to access their personal data may be limited in accordance with Part 8 of Article 14 of the Personal Data Law, including if the Personal Data Subject's access

to their personal data violates the rights and legitimate interests of third parties.

10.14. In case of detection of unlawful processing of personal data upon request (inquiry) of the Personal Data Subject or their representative or Roskomnadzor, the Operator blocks the unlawfully processed personal data relating to this Subject from the moment of such request or receipt of the inquiry.

10.15. Upon achievement of the purposes of personal data processing, as well as in case of withdrawal by the Personal Data Subject of consent to their processing, personal data is subject to destruction, if:

- the contract to which the Personal Data Subject is a party, beneficiary, or guarantor does not provide otherwise;
- the Operator does not have the right to process without the consent of the Personal Data Subject on the grounds provided by the Personal Data Law or other federal laws;
- another agreement between the Operator and the Personal Data Subject does not provide otherwise.

10.16. Data Processing Upon Withdrawal of Consent to Marketing Messages

10.16.1. If the User has unsubscribed from advertising messages or withdrawn consent to marketing processing:

a) The Operator immediately (within 1 calendar day) ceases sending advertising and marketing messages;

11. Cookie Files

11.1. Cookie file collection and processing technology is used on the Operator's Website.

11.2. Except in cases specified in this Policy regarding privacy and cookies, the cookies used by the Operator are necessary for the functionality and effectiveness of the Website; these functional and/or operational cookies will be deleted from the Personal Data Subject's device upon completion of the browser session (session cookies).

11.3. The Operator uses cookies to personalize Website capabilities and possibly show appropriate advertising. The Operator uses cookies and similar technologies, including mobile device identifiers, to identify Personal Data Subjects, improve Website usability, enhance security, and possibly show advertising.

11.4. Upon first visit to the Website, the Operator offers the Personal Data Subject to read and accept the Personal Data Processing and Cookie Processing Policy.

11.5. The Operator uses session tracking technologies and persistent tracking technologies. Tracking technologies (for example, cookies) may be persistent (that is, they remain on the Personal Data Subject's computer until they delete them) or temporary (i.e., they remain until the Personal Data Subject closes the browser).

11.6. Mandatory cookies - are necessary for the normal functioning of the Website. The Operator may use mandatory cookies to authenticate Personal Data Subjects, prevent fraudulent use of the Website, or provide certain Website functions.

11.7. Analytical and operational cookies - allow the Operator to recognize Personal Data Subjects and track their transitions on the Website, helping to improve the Website's operation.

11.8. Functional cookies - are used to recognize repeat visits to the Website. They allow personalizing Website content for Personal Data Subjects, addressing them by name, and saving selected settings (for example, language or region).

11.9. Targeting cookies - track the use of the Website, opened pages, and used links.

11.10. Cookies may be used to:

- Customize the content of Website web pages in accordance with the preferences of Personal Data Subjects, as well as to recognize Personal Data Subjects;
- Create statistics that help understand how Personal Data Subjects use the Website;
- Maintain the Personal Data Subject's session.

11.11. Disabling and/or blocking by the Personal Data Subject of the web browser option to receive data from cookie files means that the use of the Website by the Personal Data Subject may be limited, in particular, some of its functions.
